EDUCATION

1999 *Ph.D. in Demography*. University of Louvain. Louvain-la-Neuve, Belgium. “Household Formation and Migration. A Life Course Study of Three Spanish Birth Cohorts”.

1991 *M.Sc. Demography*, University of Louvain.

1989 *Diplôme de Démographie* (D.E.S). University of Louvain.

1987 *Licenciatura en Geografia* (B.A. in Geography). Universitat Autònoma de Barcelona, Bellaterra, Spain.

MAIN INTERESTS

Socio-economic inequalities and family processes (fertility, nuptiality). Institutional and policy influences on fertility. Assortative mating. Labor market and family processes. Life course analysis. International migration. Migration and family processes.

PRESENT APPOINTMENTS AND CAREER HISTORY

From 2002 **ICREA Research Professor**. Universitat Pompeu Fabra (UPF). Department of Political and Social Sciences. Member of the SocioDemographic Research Group (DemoSoc).

From 2002 *Lecturer* (Professor Associat). Universitat Pompeu Fabra (UPF). Department of Political and Social Sciences.

From 2015 External reviewer: European Research Council Executive Agency, European Commission.

From 2023 Member of the Admission Committee to the PhD in Political and Social Science (UPF).

From 2018 Member of the College of Expert Reviewers of the European Science Foundation ([ESF](https://www.esf.eu)).

From 2022 Editorial board member, [International Journal of Population Studies](https://www.blackwell-synergy.com/doi/abs/10.1111/j.1471-6308.2022.00000.x).

2000-2002 *Research Scientist*. Max Planck Institute for Demographic Research (Rostock, Germany).

- Research Scientist in the Independent Research Group of the Demography of Early Adulthood.

- Lecturer at the International Max Planck Research School for Demography.
- Member of working group developing questionnaires for a second round of the Family and Fertility Survey within the Generations and Gender Program, coordinated by the Economic Commission for Europe of the United Nations.

1996-1999 *'Assistant Scientifique' and doctoral student.* University of Louvain.

1996-1997 *Researcher.* Minuartia Estudis Ambientals.

1994-1996 *Research Associate.* The University of Cambridge. Cambridge Group for the History of Population and Social Structure.

1992-1994 Scholarship from the Government of Catalonia at the University of Louvain.

1989-1990 Training internship at Eurostat, Statistical Office of the European Communities, "Social digest unit" (population, migration, work, unemployment), Luxembourg.

1988-1992 Scholarship from the Spanish Ministry of Education (FPI) at the University of Louvain.

PARTICIPATION IN FOUNDED RESEARCH PROJECTS

2021-2025 *Socio-economic inequalities in family behaviour and wellbeing: the role of economic security, role compatibility and gender relations (UNEQUAL).* Spanish Ministry of Science, PID2020-117980GB-100/MICIN/AEI/10.13039/501100011033. (€ 128,623). PI: Pau Baizan and Clara Cortina.

2022-2024 *Research Group on Sociology and Demography (Grup de Recerca Consolidat)*
2021 SGR 00957- AGAUR, Generalitat de Catalunya. (€40,000).

2017-2020 *Socio-Demographic Consequences of the Great Recession: Altered Class and Gender Relations?* (RECECON), Spanish Ministry of Economy, CSO2016-80484-R. (€ 91,960). PI: Pau Baizan and Clara Cortina.

2017-2021 *Research Group on Sociology and Demography (Grup de Recerca Consolidat)*
2017 SGR 1135- AGAUR, Generalitat de Catalunya.

2016-2018 *Low Fertility, Labor Market, and Family: Factors, Outcomes, and Policy Implications.* East-West Center (Honolulu, USA) and Korea Institute for Health and Social Affairs (Korean National Research Council for Economics, Humanities and Social Sciences). PI: Sang-Hyop Lee, Pau Baizan and Berkay Ozcan.

2013-2016 *Migration systems in comparative perspective: Mexico-USA and Subsaharan Africa-Europe (MIGRASYS).* Spanish Ministry of Economy, CSO2012-37920. (€101,205). Principal investigator: Pau Baizan.

2014-2015 *Policy Responses to Low Fertility and Population Aging,* East-West Center (Honolulu, USA). PI: Ronald Rindfuss and Minja Choe.

2014-2016 *Research Group on Sociology and Demography (Grup de Recerca Consolidat)*
2014 SGR 768 - AGAUR, Generalitat de Catalunya. (36000 €).

- 2011-2016 *Stratified Family Dynamics: polarizing trends in couple behaviour and parenting ("Family polarization")*. European Research Council Advanced Grant (ERC). PI: Esping-Andersen, Gosta. Grant number 269387.
- 2010-2012 *"Migrations Between Senegal and Spain: An Analysis of Migration, Family and Labor Market Trajectories of Senegalese Immigrants in Spain"* (MESE). Spanish Ministry of Science and Technology, CSO2009-12816. (€134.915). Principal investigator: Pau Baizan.
- 2008-2012 *"Migrations between Africa and Europe"* (MAFE). European Commission, Seventh Framework Programme for Research and Technological Development. UPF team leader and responsible (with A. González) of the working package on "Determinants of African migration". (€ 1.498.854 of which 107.520 for our team at UPF).
- 2007-2009 *"Migrations between Africa and Europe"* (MAFE-Senegal). Institut National d'Études Démographiques. (€111.765 for our team at UPF). Scientific manager UPF team.
- 2005-2010 *"Economic Change, Quality of Life and Social Cohesion (EQUALSOC)"*. European Union VI Framework Programme. Research groups on "Family and Social Networks" and "Change in public policies and gender differentiation in time use".
- 2007-2009 *"Redistributive effects of the new role of women"*. Spanish Ministry of Science and Technology.
- 2006-2007 *"Distributive equity in the access to parental leave in Spain"*. Spanish Ministry of Labour and Social Affairs.
- 2005-07 *"Household Income and Employment Strategies"*. Fundación BBVA.
- 2003-06 *"Risks and opportunities in the life course in post-industrial societies"*. Spanish Ministry of Science and Technology.
- 2003-05 *"Why fertility patterns diverge across Europe? The new risk structure and family formation"*. Fundación BBVA.
- 2002-03 *"Households, inequalities and employment in post-industrial societies: Spain in the international context"*. Spanish Ministry of Science and Technology.
- 2000-02 *"Demography of Early Adulthood"*. Max-Planck Gesellschaft.
- 1994-96 *"Mapping European Family and Household Patterns"*. European Commission (Training and Mobility Programme).
- 1992-94 *"Household and family structures in Catalonia: contemporary changes and determinants"*. Fellowship: Catalan Department of Universities (DURSI).
- 1988-92 *"Recent changes in the family life cycle in Spain"*. Fellowship (FPI): Spanish Ministry of Education and Science.

TEACHING

- 2014-present *"Migration and Society"*. Master in Sociology and Demography, European Master in Government, and Master of Research in Political Sciences, UPF.
- 2011-present *"Demographic Changes and Social Dynamics"*. Master in Sociology and Demography, UPF.

- 2014 “*Demography: Economic and Sociological Perspectives*” (with L. González). Master in Economics of Public Policy. Barcelona Graduate School of Economics, UPF-UAB.
- 2013 “*Research and Data Analysis Seminar*” (with C. Cortina et al.), Master in Sociology and Demography, UPF.
- 2012-2014 “*Social Demography*”, Department of Political and Social Sciences, UPF.
- 2007-2011 “*International Migration*” (with M. Creighton / A. González-Ferrer). Master in Political and Social Sciences, UPF.
- 2002-2012 “*Demography and Population Studies*”. Department of Political and Social Sciences, UPF.
- 2001-2002 “*Introduction to Hazard Regression*”, (with F. Billari and A. Aassve). Graduate course, International Max Planck Research School for Demography.
- 1998-1999 “*Introduction to Research: case studies*”, “*Principles and methods of demographic analysis: practical exercises*”, “*Indirect techniques of analysis for demographic data: practical exercises*”, “*Statistical analysis of dependencies: practical exercises*”. Master in Demography, University of Louvain.
- Short courses:
- 2020, 2021, 2022, 2023: “*The life course paradigm and event history techniques*”. Political and Social Sciences Doctoral Programme. Universitat Pompeu Fabra.
- 2014: “*Migrants’ labor market integration*”. LIVES Doctoral Programme. Université de Lausanne and Université de Genève.
- 2010: “*Migration and Development in Sub-Saharan Africa*”, Institut Europeu de la Mediterrània, Barcelona.
- 2009: “*Discrete-time event history analysis*”, Université de Dakar.
- 2008: “*Gender inequalities and family formation*”, Universidad Internacional Menéndez Pelayo and CSIC (Madrid), Master in Gender Inequalities.
- 2007: “*Demographic Trends in Southern Europe*”, British Council (Berlin).
- 2006, 2007, 2009: “*International Migration*”, University of California-Davis. Programme on Housing and Community Development in Barcelona.
- 2004: “*Transitions to adulthood*”, Universidad de Salamanca.
- 1999: “*Environment and Population: local studies*”. Graduate course, Centre d’Estudis Demogràfics. Universitat Autònoma de Barcelona.

OTHER ACADEMIC ACTIVITIES

2015-2024	Member of the Doctoral and Master’ program committee in the Department of Political and Social Sciences, UPF.
2019, 2020, 2022	Project evaluation committee member: Spanish Ministry of Science, Agencia Estatal de Investigación, Plan Nacional I+D, Social Sciences.
2019-2022	Member of the International Advisory Board of <i>NCCR – on the move</i> , a center of excellence funded by the Swiss National Science Foundation with the goal of stimulating interdisciplinary research in the field of migration and mobility studies (nccr-onthefmove.ch).
2018	Member of the evaluation panel for the post-doctoral scholarship Juan de la Cierva 2017, Social Sciences panel, Agencia Estatal de Investigación, Ministerio de Economía y Competitividad, Madrid.
2018-2019	Member of the advisors’ committee. New funding program for social sciences research projects. La Caixa Foundation. Barcelona.
2012-2018	Member of the editorial board of the journal <i>Papers. Revista de Sociologia</i> .
2011-2015	Member of the review board of the journal <i>Demographic Research</i> .
2014-15 and 2011	Project referee and member of the review committee: Spanish Ministry of Science (Plan Nacional I+D, Social Sciences)
2010-2013	Project referee: European Research Council (European Commission, Seventh Framework Program).
2010 – 2013	Member of the admission committee to the PhD in Political and Social Science (UPF).
2008-2010	Editorial board member, <i>Revista Española de Investigaciones Sociológicas</i> .
2007-2009	Chair of the “ <i>Scientific Panel on Policies in the Context of Low Fertility</i> ”, International Union for the Scientific Study of Population, www.iussp.org .
2005 and 2006	Correspondent of the European Observatory on the Social Situation in the European Union (www.europa.eu.int).
2005-2012	<i>Academic coordinator</i> . International Exchange of Students Programme (“Erasmus”, “Seneca”, etc.), Labor Sciences studies, UPF.
Conference & workshop organization	Member of the scientific committee and organizing committee. 2024 Conference of the European Consortium for Sociological Research. Barcelona 12-14 September. Chair of session and reviewer: Doing quantitative migration research. European Consortium for Political Research. Workshop <i>How to do Migration Research?</i> 13-14 April 2023, Barcelona. Paper proposal reviewer, <i>IUSSP International Population Conference 2021</i> , Hyderabad, India.

Member of the local organizing committee: *15th European Sociological Association Conference*, 31 August to 3 September 2021, Barcelona.

Chair of the session “Family formation and family structure”, *International Sociological Association, Social Stratification RC28 Spring Meeting 2019*, 21-23 March, Frankfurt.

Paper proposal reviewer for the 2019 International Conference of the Association for Public Policy Analysis & Management (APPAM). Barcelona, July 2019.

Conference organizer and member of the scientific committee (with Sang-Hyop Lee and Berkay Ozcan): “*Low Fertility, Labor Market, and Family: Policy Implications*”, East-West Center, Honolulu, November 8-9, 2018.

European Population Conference 2018. European Association for Population Studies (EAPS). Brussels, 6-9 June. Chair of the session on “Labor Market Participation and Income Trajectories of Immigrants”.

Conference organizer and member of the scientific committee (with Sang-Hyop Lee and Berkay Ozcan): “*Low Fertility, Labor Market, and Family: Policy Implications*”, East-West Center, Honolulu, November 20-21, 2017.

Paper proposal reviewer and poster evaluator, IUSSP International Population Conference 2017. Cape Town, South Africa.

Conference organizer and member of the scientific committee (with Sang-Hyop Lee): “*Low Fertility, Labor Market, and Family: Factors and Outcomes*”, East-West Center, Honolulu, December 8-9, 2016.

International Conference on Population Geographies. Brisbane, 30 June-3 July 2015. Chair of the session on “Determinants of fertility decline”.

International Conference on Population Geographies. Groningen, 25-28 June 2013. Chair of the session on “Societal Implications of International Migration”.

“Comparative and Multi-sited Approaches to International Migration” conference. MAFE and Institut National d’Etudes Démographiques (Ined). Paris, 12-14 December 2012. Member of the scientific committee.

“Migrations between Africa and Europe” workshop. MAFE and UPF. Barcelona 23-25 November 2011. Member of the scientific committee and workshop local organizer.

European Population Conference 2010. European Association for Population Studies (EAPS). Vienna, September. Chair of the session on “Transnational relations between origin and destination”.

“Chaire Quetelet 2009: Population Policies in Europe and in North America”, Université de Louvain, Louvain-la-Neuve, November 2009. Member of the scientific committee, chair and discussant of the session on “Migration Policies”.

“World Population Conference 2009”, IUSSP, Marrakech, September. Session organizer and chair: “Policies in low fertility countries”.

“International Conference on Low Fertility and Reproductive Health in East and Southeast Asia”. Organized by the Scientific Panel on Policies in the Context of Low Fertility (IUSSP), Nihon University Population Research Institute, and World Health Organization, Tokyo, November 2008. Member of the Scientific Committee and discussant (session on “ultra-low fertility”).

“European Population Conference 2008”, European Association for Population Studies (EAPS). Barcelona, July. Convenor of the Theme “Regional and urban issues” and

session chair: “Internal migration”.

“Fertility and Public Policies in Low Fertility Countries”, organized by the Scientific Panel on Policies in the Context of Low Fertility (IUSSP) and UPF, Barcelona, July 2008, Chair of the Scientific Committee, local organizer, session chair and discussant. This Seminar received funding from the Spanish Ministry of Science (SEJ2007-30994-E) and the Robert Bosch Foundation.

“International Conference: Can policies enhance fertility in Europe?”, Vienna Institute of Demography, December 2007. Session chair.

IX Spanish Sociology Conference. Barcelona, September 2007. Convenor and discussant, session on fertility.

International Conference Job Instability and Changes in Family Trends, Fondazione G. Brodoloni, Rome, November 2006. Discussant.

“European Population Conference, 2003”, EAPS. Warsaw, August 2003. Discussant, session on “Family pathways and individual life course”.

Survey organization	Data collection (Spanish surveys of 2008 and 2011) and development of the questionnaire, “Migrations between Africa and Europe” (MAFE). Development of questionnaires for a second round of the Family and Fertility Survey within the Generations and Gender Program, coordinated by the Economic Commission for Europe of the United Nations (2000-2001).
Stay of research	Institut National d’Études Démographiques, Paris, March-April, 2010.
Journal referee	Advances in Life Course Research (awarded “Outstanding contribution in Reviewing” 2018), Comparative Population Studies, Demographic Research, European Journal of Population, European Societies, European Sociological Review, Genus, International Journal of Comparative Sociology, International Journal of Population Studies, International Migration, Journal of Housing and the Built Environment, NCCR On the Move working papers, Papers-Revista de Sociologia, Population (Ined), Population Research and Policy Review, Population Studies, Quetelet Journal, Revista Española de Investigaciones Sociológicas, Revista Internacional de Sociología, Revista Española de Sociología, Social Forces, Vienna Yearbook of Population Research.
Book referee	IUSSP (International Studies in Population, Springer). Max-Planck Institute for Demographic Research. Fundación BBVA.
Project and personnel evaluation	European Research Council Executive Agency, European Science Foundation, Austrian Science Fund (FWF), Flanders Research Foundation (FWO, Belgium), NCCR On the Move (Switzerland), Basque Foundation for Science (Ikerbasque Research Fellowships), Irish Research Council, Agencia Estatal de Investigación (Programa Estatal Proyectos de I+D+i. Scholarships Juan de la Cierva), Spanish Ministry of Science (Plan Nacional I+D, Social Sciences), AQU Catalunya, Dirección General de Universidades e Investigación de la Comunidad de Madrid, Agència de Gestió d’Ajuts Universitaris i de Recerca (Catalan Ministry of Science), Fundación BBVA, London School of Economics and Political Science, LUISS University (Rome) Department of Political Sciences, Social Observatory of La Caixa, Universitat Pompeu Fabra (Department of Economics and Business; Department of Political and Social Sciences; Ethical Review of Projects Committee).

PhD thesis supervisor	2005-2009, Sergi Vidal, “ <i>Residential trajectories and social ties in the early adulthood</i> ”, UPF. Postdoctoral position: University of Bremen (Germany).
or co-supervisor	2006-2010, Anna Garriga, “ <i>Consequences of parental divorce and family structure on children’s outcomes in European societies: Individual, cohort and country explanations</i> ”. UPF. Postdoctoral position: University of York (UK). 2009-2012, Ognjen Obucina, “ <i>Dynamics of Well-Being Among Immigrants</i> ”. UPF. Postdoctoral position: University of Stockholm. 2009-2014, Carlos Delclòs, “ <i>Cultural and Structural Explanations of Fertility: The Spanish Case at the Beginning of the 21st Century</i> ”, UPF. Postdoctoral position: Universitat Autònoma de Barcelona. 2010-2014, Mao-Mei Liu, “ <i>The Social Roots of Sub-Saharan African migration to Europe: Networks, Resources and Context</i> ”, UPF. Postdoctoral position: Brown University (Providence, RI, USA). 2011-2016, Antonina Levatino, “ <i>Brain Training - Brain Draining. Skilled Migration, Student Mobility and Transnational Higher Education</i> ”, UPF. Postdoctoral position: Institut National d’Etudes Démographiques, Paris. 2014-2017, Natalia Malancu, “ <i>Policy, Social Capital and Health: The Multiple Implications of Immigrant Economic Incorporation</i> ”, UPF. Postdoctoral position: Université de Genève, Switzerland. 2014-2017, Daniel Ciganda, “ <i>Understanding the Fertility Gap. New Modelling Approaches to Reproductive Decision-Making</i> ”, UPF. Postdoctoral position: Max Planck Institute for Demographic Research, Rostock, Germany. 2013-2017, Elisabeth Kraus, “ <i>Family dynamics of international migrants and their descendants</i> ”, UPF. Postdoctoral position: Federal Institute for Population Research, Wiesbaden, Germany. 2014-2019, Nie Wanli, “ <i>The Interrelationship Between Migration and Family Behaviours: Internal Migration within China and International Migration from China to the U.S.</i> ”, UPF. Postdoctoral position: University of Louvain, Belgium. 2018-2023, Ignacio Carrasco, “ <i>Towards Stylised Facts on International Migration Research. Immigrants’ labour market integration, dynamics of remittance behaviour, and underlying mechanisms of migration rates</i> ”, UPF. Postdoctoral position: University of Oxford, UK. 2022- Teodora Maksimovic, “ <i>The Relationship between Socio-Economic Characteristics and Fertility Behaviour in Low Fertility Countries: A Couple perspective</i> ”.
Ms thesis supervisor	2-3 every year.
Jury member/external reviewer	PhD Thesis, Aslihan Yurdakul, “Access of migrant women to labor market in Germany. Exploring the barriers, opportunities and experiences” 2023 UPF. PhD Thesis, Elena Bastianelli, “Employment instability and union dissolution: which instability matters, for whom, and where?”, 2021, Università degli Studi di Torino and Università degli Studi di Milano. PhD Thesis, Francesca Luppi, “Are you ready now for another child? Life satisfaction, work-family trajectories and the progression to the second child”, 2015, UPF. PhD Thesis, Tatiana Eremenko, "Interaction entre structures familiales et flux migratoires". 2015, Université de Bordeaux.

PhD Thesis, Renáta Hosnedlová, “Bridging the intention–realization gap in the process of returning: The role of networks in the experience of Ukrainians in Madrid”. 2014, Universidad Complutense de Madrid.

PhD Thesis, Diederik Boertien, “Socio-economic resources, relationship processes, and separation”. 2013, UPF.

PhD Thesis, Sunnee Billingsley, “Casualties of turbulent economic transition: Premature mortality and foregone fertility in the post-communist countries”. 2009, UPF.

PhD Thesis, Berkay Özcan, “The effects of marital transitions and spousal characteristics on economic outcomes”, 2008, UPF.

PhD Thesis, Stefanie Brodmann, “Labour market assimilation of immigrants in Germany and Denmark”, 2008, UPF.

PhD Thesis, Marta Domínguez, “Why marry? A comparative study of union formation in Spain, Germany and France”, 2007, Universidad Complutense de Madrid.

Premi Juventut 2005 (research on youth prize), Generalitat de Catalunya.

Member

European Association for Population Studies (EAPS), Population Association of America (PAA), International Union for the Scientific Study of Population (IUSSP), International Migration Integration and Social Cohesion in Europe (IMISCOE).

Research outreach (sample)

* *Money Today Media* (Korean TV, online news, newspaper): Interview on demographic change in Barcelona. 1st September 2023.

**N-IUSSP*, IUSSP’s online news magazine. January 2022. [The effect of migration on Chinese women’s fertility in the USA.](#)

*Interviewed by the *Voice of America* radio, on African migration, 27th March 2019.

*Article in [The Conversation Africa](#), [The Conversation-España](#), [El País](#), and [Público](#), on the causes and consequences of migration between Africa and Europe, March 2019 and [June 2021](#).

*Talk given at the *Fundació Universitària Martí l’Humà*. “Migrations between Africa and Europe”, 2nd April 2019.

*Participation in the debate on “Economy, conflicts, and global migration”. *ICREA-CCCB* cycle of debates “[After the end of the world](#)”, November 28th 2017.

*Participation in the program “[30 Minuts](#)” on the postponement of fertility. *Televisió de Catalunya TV3*. 9 April 2017.

*Participation in the program “[No ho se](#)” on the trends and causes of low fertility, *radio RAC1*, 10 October 2016.

*Short course given at the *Universitat Catalana d’Estiu* (Prada), “Senegalese in Catalonia (1985-2016)”. August 2016.

*Participation in the program [EYE Catalunya](#), 7th March 2016.

*Baizán P., “Context and policy options in countries with very low fertility”, invited talk at the *United Nations Expert Group Meeting on [Policy Responses to Low Fertility](#)*, United Nations Population Division, New York, 2-3 November 2015.

*“Cuidado parental en la infancia y desigualdad social: un estudio sobre la Encuesta de Empleo del Tiempo en España”, 2010, with González M.J., and Domínguez M., [Working Paper](#) 158/2010: Laboratorio de Alternativas, Madrid: *Fundación Alternativas*.

*Baizán P., (2006), “Population-related policies and implications. Portugal and Spain”, Theme: fertility levels and postponement, in European Observatory on Demography and the Social Situation - Demography Network, *Demographic trends, socio-economic impacts and policy implications in the European Union*. Monitoring Report 2006. pp. 304-314. European Commission: Brussels (<http://europa.eu.int>).

*Talk given to secondary school pupils about demography of youth. *Dia de la Ciència a les Escoles*. Institut Joan Oró, Lleida. 9 November 2004.

INVITED TALKS AND CONFERENCE PAPERS (selection)

Baizan Pau “How Does Job Quality Influence Fertility? Parity and Gender Differentials in the Effects of Job Strain and Control”, 2024 Conference of the European Consortium for Sociological Research. Barcelona 12-14 September.

Baizan Pau “Homophily or competition? Explaining assortative mating patterns and their changes in contemporary China”. *RC28 Spring meeting 2023*, 24-26 May, Paris. *Research on East Asian Demography and Inequality (READI) Conference, Tokyo*, July 15-16, 2023.

Pau Baizan & Clara Cortina, “Educational assortative mating patterns in highly educated contexts: the role of the field of education”, International Sociological Association, *RC28 Spring meeting 2022*, London School of Economics, April 21-23, 2022. *European Population Conference 2022*, Groningen, 29 June-6 July. *XII congreso de la Asociación de Demografía Histórica*, Barcelona, 6-9 September.

Baizan Pau, Wanli Nie. “The impact of education on fertility during the Chinese Reform Era”. *International Conference on Family and Fertility*. December 4-5, 2020. International Union for the Scientific Study of Population (IUSSP). *IUSSP International Population Conference 2021*, 5-10 December 2021.

Mengi Chen, Wanli Nie, Pau Baizan, Guy Abel. *Tracing human spatial mobility patterns before, during and after COVID-19 in China*. Oral presentation at the conference “Demographic Aspects of the COVID-19 Pandemic and its Consequences”, 30 November- 1 December, 2020. Conference organized by the Wittgenstein Centre for Demography and Global Human Capital (Austrian Academy of Sciences), Vienna.
